

NATS SFBAC SPRING SYMPOSIUM

Sunday, April 15th 2007 2pm-5pm

Peninsula Jewish Community Center, 800 Foster City Boulevard,
Foster City 94404. (650) 212-7522

The Effect of Childhood Sexual Abuse (CSA) on the
Adult Singing Voice: Implications for Voice Teachers

Presented by

Dr. Grace Johnson

Grace Johnson DMA (who presented her doctoral dissertation on this subject, at the Pan European Voice Conference in London, 2005) will discuss adult survivors of CSA, with special attention given to the effects of CSA on singing. The afternoon will include exercises for body/voice awareness and special considerations for teachers on touch and breathing. The session will be interactive with time for questions, at the end. For specific program information please contact Grace at johnsongmw@yahoo.com or (408) 733-1077.

NATS members \$35, Non-NATS teachers attending with a NATS member also \$35
Non-NATS members and door price \$45

For general questions contact Sue Field 650-796-1829 or mezzo54@comcast.net, for
subject content please contact Grace Johnson, directly at the e mail address or number
above.
